*Association represents more than 7,500 corporate members*

**Tallahassee, Fla.** – The Florida Home Builders Association today endorsed Pam Bondi for Florida Attorney General. The statewide association announced its support for Bondi in her bid for re-election during its annual Summer Builders Conference.

Bondi, who delivered remarks at the conference, thanked the association, its regional and local affiliates and association members for promoting economic growth and prosperity.

“I am honored to receive support from the Florida Home Builders Association,” said Attorney General Pam Bondi. “The industry is extremely important to Florida’s economy and in helping families realize the American Dream of homeownership.”

“Maintaining a safe environment directly affects our industry’s success, and Attorney General Pam Bondi has worked tirelessly to make Florida a safe place to live, work, play and raise a family,” said FHBA President, Ron Lieberman. “The Florida Home Builders Association is pleased to endorse Pam Bondi for Attorney General.”

### About Florida Home Builders Association

The Florida Home Builders Association is a 63-year-old trade organization representing more than 7,500 corporate members engaged in residential and commercial construction, land development, remodeling, and a wide range of products and services in support of the Florida construction industry. FHBA is headquartered in Tallahassee where its advocacy efforts create an economic and regulatory environment in which its members can be successful. FHBA also presents the annual Southeast Building Conference, provides its members with a trade journal, Florida HomeBuilder, and is one of the state’s leading providers of continuing education for contractors. FHBA’s wholly-owned subsidiary, Florida Home Builders Insurance, Inc., serves the insurance and risk management needs of the construction industry, and its Future Builders of America program trains young people for careers in construction and related fields. Visit FHBA online at [www.fhba.com](http://www.fhba.com).
